## Baler Aurora, Philippines

## ABOUT PASTOR ANTHONY TAMBALQUE

My life has changed in 2004. I was in Baguio and my friend told me to meet a pastor. I met this pastor and started talking to him. I am just a typical person who was mesmerized by the wisdom of the person I'm talking to. I felt that I wanted to change my sinful life. Somewhere inside of me wanted to become like him. I wanted to have the wisdom that he has. I wanted to talk and to touch people's lives in the way he did to me. Later on, I saw a vision and a dream of myself preaching the Word of God in front of many people. I thought it was just nothing until it happened many times. I started to have a desire to study in Bible School. In 2005, I took Standard Ministerial Diploma in Harvester's Bible Academy and graduated in 2009. I am now a pastor and serving the people of God for more than 9 years now.

## OUR MINISTRIES

We started to share the gospel of God thru Bible Studies. Our first attendees were two families with four members each. Months later, our members grew and we decided to build a church near a public market. Our mission to spread the Good News of salvation is what keeps us to continue what we are doing. Later on, we pioneered a church in Baler, Aurora. We are conducting our Bible Study in Pangasinan during weekdays. On weekends, we visit Baler, Aurora to also conduct Bible Study and some visitations to the people we just met. We believe that little by little, we will save more people through the gospel of Christ.

### HOW YOU CAN INVEST IN ETERNITY

Our church is in need of financial assistance for our rent expense in Baler, Aurora and for transportation costs. We hope that you can help us nourish this start-up missionary work that we are having.
