

PURISIMA FELLOWSHIP BAPTIST CHURCH

Negros Occidental, Philippines

ABOUT PASTOR BENJIE MAHILOC

I received the Holy Spirit when I was in grade six during a summer youth camp when I placed my faith in Jesus Christ as my Personal Lord and Savior from all my sins. In response to the new life I found in Christ, I got involved in different church activities like singing in the church choir, being an active member of young people's fellowship and serving in other church areas. I also decided to follow the leading of the LORD in my life and enrolled at Doane Baptist Seminary in Iloilo City. I am now serving in a full-time ministry where I exercise my gift of teaching.

OUR MINISTRY

This all started when the LORD placed a burden in my heart to pioneer a work in Barangay Purisima, Manapla, Negros Occidental. I brought the matter to my good Christian friends and we prayed for almost a year to seek God's will regarding the matter. After a year of prayer, the Lord opened the door and we began visitations, tracts distribution, and sharing the gospel of the LORD Jesus Christ. Six months later, we started home bible studies and outreaches for children. The following year, we began holding Sunday school and worship service. On Saturdays, we teach children in the centers in order to evangelize them. We also hold cottage prayer fellowship and home bible studies with the new Christians. There is also biblical teaching in Manapla National High School, Purisima Extension. With much prayer, we are able to build a chapel in Barangay Purisima, Manapla, Negros Occidental. Our vision is to saturate the whole village with the Word of God as we believe that the Holy Spirit convicts the heart through hearing God's Word.

HOW YOU CAN INVEST IN ETERNITY

Purisima Fellowship Baptist Church needs a place for our regular worship which can be the central facility for the ministry of training and sending out committed people. We need your financial support to help us build this respectable place for our worship service and all our ministry activities. Our aim is to shine as people of God in the midst of our community for His Glory and Honor. We also covet your prayers so that by God's enablement, we may fulfill our mission and vision for our village.
