

LABUAN PENTECOSTAL CHURCH

Pangasinan, Philippines

ABOUT PASTOR CAMILO AGONIAS

I stopped high school to work at the farm and help augment family income. I left farming when a pastor offered me to study at a Bible School. Graduating from Bible School provided me the opportunity to be one of the workers in our chapel, then to churches in Ilocos Sur and Pangasinan . I now pastor the Labuan Church for 20 years ago with my wife as a co-pastor and five young volunteer workers.

OUR MINISTRIES

Preaching and teaching the Word of God to all people who are led to our care continues to be our main ministry. We nurture those who hear the Word through bible studies and worship services. Our witnessing includes follow ups through consistent visitations, house prayers, and worshipping together. We come regularly for worship and fellowship in our church building where baptisms and weddings are conducted. God has honored our labor when we see non-believers and drug addicts restored to God, and now live their lives as a testimony of the power of the Holy Spirit.

HOW YOU CAN INVEST IN ETERNITY

1. Mobility is very essential for us to continue our house-to-house visits in the villages. The lone tricycle acquired in 2005 that enabled us to be efficiently mobile is no longer reliable after so many repairs. We are praying for a sponsor of a new tricycle.
2. We need assistance in our family basic needs. Contributions from members is the main source of our livelihood as well as the source for the operating needs of our church and for the maintenance of our place of worship made of indigenous materials.
3. Your prayers for us are a great help.
