

BUGARIN CHRISTIAN FAITH CHURCH

Pangasinan, Philippines

ABOUT PASTOR EDWIN SAGUITAN

God is the God of miracles indeed. I had ulcer when I was 17 years old. My family invited a pastor named Pastor Rodolfo Agonias to pray for me and to conduct a Bible Study in our house. After his four months of pastoral care and leading the Bible study, I accepted the LORD Jesus Christ as my Lord and Savior. Pastor Agonias' kindness in his dealings with us touched my soul that I felt God is calling me to do Christian service like he's doing. I saw a vision of myself teaching others the way of the LORD which I thought was God's way of telling me to lead His people. I accepted His calling and took up a pastoral course in Manila Bible College in 1996, and in 2014, I took Bachelor of Theology in Send the Light Bible College.

OUR MINISTRIES

We did not have an initial fund before we started our church. Our ministry began by sharing the Word of God to some children in the basement of a house. After a few months, both young people and adults came flocking in until the basement became too small for us. We decided to transfer our group meetings under the tree, then to a hut nearby until we had saved enough financial contributions to renovate the hut into a more sturdy meeting place for us.

Currently, our church activities are Saturday prayer meeting, Wednesday bible study, and visitation of members twice a week. We are committed to be faithful in spreading the Word of God and preaching the gospel of the Lord Jesus Christ in Sta. Maria, Pangasinan so people will not come into condemnation but into eternal life in Christ Jesus.

HOW YOU CAN INVEST IN ETERNITY

Our church is in need of a vehicle for our church activities, and financial support to be able to maintain all of our activities. We wanted to provide free transportation to our members especially for those who live far away. We hope that you could consider helping us in spreading the Good News of God's words.
