

NEW HOPE CHRISTIAN MINISTRIES CHURCH NOVALICHES

Novaliches, Quezon City, Philippines

ABOUT PASTOR GEORGE UCLUSIN

I encountered Jesus Christ during my college life. I was committed to excel in my studies believing that education is the best way to fulfill my life dreams. But discovering God's will for me was a journey. It started when I was studying to become a Chemical Engineer at University of Santo Tomas (UST), it did not feel like I was pursuing the right career for me so I decided to pursue my father's ambition for me to become a General in the Armed Forces of the Philippines. I left UST and enrolled at the Philippine Military Academy. However, I again realized that killing people was not what I would like to be doing, so I decided to finish the degree in Chemical Engineering. At the university, I met a friend who introduced me to the LORD and shared the gospel of Jesus Christ to me. I felt something wonderful and different from what I've experienced from my past religious affiliations. It was also at this time that I felt like God is calling me to full-time mission work when He gave me a vision of the unseen war and people in shackles and lost in sin. I studied at Manila Theological College and by God's grace and provision, completed a Masteral and Doctoral degrees of Philosophy in Theology, major in Educational Leadership and Management in March 2016. After graduation, I have served many churches as a pastor, became a high school teacher, and now, the Dean of Academics at Asia Harvesters College and Seminary Inc. Years later, my family and I planted a church in our area by making a space in our house for the church. Together with my son as the church worker and my daughter as the social worker, we are now serving many people with 35 regular members.

OUR MINISTRIES

Our church is a product of discipling students from Sta. Lucia High School where I served as a high school teacher, and they are now our members. Our church activities are Sunday worship service, feeding program for street children, youth camps, bible school seminary to nurture students who are aspiring to be pastors and "Cadet Nikers Youth Ministry". CADET stands for Christ Advocacy Development Educational Training. It is a campus ministry transforming the life of young generations into Christlikeness. The mission of CADET is to sponsor 12 or more students to undergo leadership training for pioneering church such as, the seminars of the Spiritual Leadership Modules of CADET Nikers Ministry namely: 1. Kingdom of God - Positional Leadership Modules (7 Modules) 2. The Gifts of the Holy Spirit - Social Leadership Modules (7 Modules) 3. Spiritual Leaders Philosophies of the Bible - (Daniel, Moses, Ester, Joshua, King David, Joseph) 4. Servant hood Leadership Seminars -The Servant hood of Jesus (7 Modules) 5. Principles of Leadership and Management, among others. The students are given a monthly allowance to assist with their school supplies and other basic financial needs for their schooling. In the month of May, we are planning to distribute school supplies and uniforms as much as our budget can cover.

HOW YOU CAN INVEST IN ETERNITY

We need your help to sponsor more students to pursue their education. These students come from families with low financial income and do not have the capacity to purchase school supplies. Students who have a general average of 85% and above are our prospects for sponsorship. Our church's desire is for these 12 students to form the core or cell unit of 12 members, who will go through in-depth discipleship program in the hope of fulfilling the CADET and Nikers mission and vision of transforming young people to become Christians who will later powerfully impact the lives of the next generations.

Tax-receipted gifts and/or for more information, please contact:
