

JESUS CHRIST OUR FAITH MINISTRIES INTERNATIONAL

Laguna, Philippines

ABOUT PASTOR RAMIL CECILIO

I was a drug addict. At the age of 12, I became a leader of the Sputnik gang. In 1986, I was imprisoned on charges of robbery-homicide and murder and was sentenced to two terms of reclusion perpetua life (20-40 years of imprisonment). However, in 1998, an evangelist came to our prison and shared the Word of God. He gave me a Bible to read. I recognized that I was a sinner in need of the Lord and Savior Jesus Christ. I meditated on the Word of God day and night, and my life gradually turned around. By God's mercy, I was granted a presidential pardon December 28, 1999. Since then, I have dedicated my life to reaching out to inmates in jails, to drug addicts who have surrendered themselves to the Philippine government, and to poor youngsters in our village.

OUR MINISTRY

It's our desire to continue Jesus Christ ministry here on earth by winning souls and making disciples for Him. My wife is also my partner in this ministry. She helps with the children and parents by teaching them the Word of God. Witnessing the goodness of God in my life is instrumental to winning souls, which gave birth to our prison ministry in Laguna and Muntinlupa. As conversion of inmates increase, we realized we need to register our church so we can formally provide training for leaders, and a place for regular praise, worship and study of the Word of God time. What we also do are house-to-house evangelism, feeding the children program, home bible studies, and youth camps.

HOW YOU CAN INVEST IN ETERNITY

We are in need of regular financial support to shoulder the expenses of our ministry. Currently, the ministry's full support comes from selling homemade dishes and peanut butter, atsara (pickled raw papaya) and bagoong alamang (Filipino anchovy) cooked by my wife. From the funds generated from the sales, we allocate a portion of this for upcoming church activities and for all the various work of the ministry. Our prison outreach is also in need of funding for copies of Bibles, and for workers to be able to do visitation, prison evangelism, and disciple those who have received Jesus Christ into their lives. We are praying for financial partners. We believe in the power of God's Word and through it, we will win more souls for God's glory.
